

People who have lost a loved one to homicide or an act of violence often live in isolation and overwhelming grief. The immensity of such emotional suffering can seem unbearable, leaving loved ones feeling alone or abandoned, including within our church.

The Crime Survivors Ministry seeks to help heal the relational harm caused by crime and violence that includes providing caring support for those suffering such a tragic loss. We would like to invite you to come and share your personal experience, thoughts, and ideas with us in a safe and caring listening environment. Together, we would like to walk with you in your grieving process and accompany you in your journey towards healing.
